Shafin Murani

FULL-STACK CROSS-PLATFORM DEVELOPER

Gujarat, India | +91 99046 10999 | shafinmurani9@gmail.com | shafinmurani.github.io

Professional Summary

Versatile Full-Stack Developer specializing in cross-platform solutions with React and Flutter, combining strong cybersecurity knowledge with web development expertise. Proven track record of delivering responsive, secure applications with excellent user experience.

Objective

To obtain a challenging position as a Full-Stack Cross-platform Developer where I can leverage my expertise in React, Flutter, and cybersecurity to build innovative and secure applications.

Experience

Freelance Developer | Full-Stack Cross-platform Developer   June 2023 - Present

- Deliver custom web and mobile application solutions using React, Flutter, Firebase, Node.js, and MySQL
- Develop cross-platform applications with responsive design and seamless user experience
- Implemented secure authentication systems using JWT and OAuth with features like role-based access control (RBAC)
- Implement secure authentication systems and data management features for clients

Yesha Software LLP, Gandhidham | Web Development Intern   *June 2024 – August 2024*

- Developed a full-stack CRM system using React.js and Node.js with JWT authentication and RBAC security features
- Created advanced data management features including filtering systems, search capabilities, and CSV import/export
- Designed scalable MySQL database architecture with optimized queries and connection pooling
- Built comprehensive user management and renewal tracking modules
- Implemented modular frontend and backend components, including 20+ functional interfaces

Security BSides, Kachchh | Founder & Community Head   *October 2024 – Present*

- Founded BSides Kachchh, a regional cybersecurity conference bringing together professionals, students, and tech enthusiasts.
- Actively engaging with the global BSides network and consulting with industry experts to ensure the success and sustainability of the event.
- Leading community initiatives to foster innovation, education, and growth in the Kachchh region.
- Leading a team to organize the inaugural conference scheduled for Q4 2025, expecting 200+ attendees from Kachchh and neighboring areas.

Education

Government Polytechnic, Bhuj | Diploma in Computer Engineering   *October 2022 – June 2025*

- Gained a strong foundation in computer engineering concepts, including programming, networking, and database management.
- Developed practical skills through hands-on projects in web development, mobile app development, and machine learning.
- Completed industry-relevant projects using modern technologies like React, Flutter, Node.js, and MySQL

Skills & abilities

- **Technical Skills:**
  - Frontend: React.js, Flutter, HTML5, CSS3, JavaScript, TypeScript, Material UI
  - Backend: Node.js, Express, Python, Django, Firebase
  - Databases: MySQL, MongoDB, PostgreSQL
- **Cybersecurity:**
  - Network security protocols, Vulnerability assessment
  - Penetration testing, Security auditing
  - CTF competition experience
- **Development:**
  - Full-stack development, Cross-platform application development
  - RESTful API design, Database architecture
- **Soft Skills:**
  - Problem-solving, Communication, Leadership
  - Project management, Agile methodology
  - Client relationship management, Team collaboration

Certifications

- Certificate of Excellence in Reviewing – Asian Journal of Research in Computer Science
- Introduction to Cybersecurity – Cisco
- M100: MongoDB for SQL Pros – MongoDB University
- Wireshark: Packet Analysis and Ethical hacking: Core Skills – Udemy (David Bombal)

Honorable Mentions

- Top 100 in Hacker Earth & CompTIA Brute Force 2.0 CTF – 2020
- NahamCon CTF 2021 – Ranked 723 out of 6491 Teams – 2021
- Top 100 in Hacker Earth & CompTIA Brute Force 3.0 CTF – 2021
- NahamCon CTF – Ranked 486 out of 4034 Teams – 2022
- HacktivityCon CTF – Ranked 189 out of 2527 Teams
- Using an Emerging TechStack – Creato Hackathon, BBIT, Anand - 2024

Events

- Security BSides Ahmedabad – 2022, 2023, 2024
- Creato Hackathon – 2024
- AeonX Code Clash – 2024
